

Harbor Master				
				Chris (Cape Porpoise) returned on 4/20/2022 with no changes. Jesse (Kennebunk River) returned on 4/26 with the following comments:
		Town Goals, Policies, Strategies – Marine Resources		Notes
1	GOAL	ENSURE ACCESS TO COASTAL WATERS NECESSARY FOR COMMERCIAL FISHING, COMMERCIAL MOORING, DOCKINGS, AND RELATED FACILITIES.	RESPONSIBLE PARTY	
4	Policy	Ensure safe, well-marked, and unimpeded use to both of the Town’s major harbors.		
5	Strategy	Work with the harbormaster(s) and the Coast Guard to maintain clear markings of the channels.	HM & CG	Ongoing and successful.
6	Policy	Provide sufficient regulation to require safe and courteous operation of watercraft and maintenance of moorings.		
7	Strategy	Work with the harbormaster(s) to encourage the safe operation of watercraft in affected areas.	BoS & HM	Ongoing and successful.
8	Policy	Reserve a sufficient number of moorings to meet the needs of the commercial fishing industry.		
9	Strategy	Maintain separate mooring lists for commercial and pleasure craft to provide access for both uses in the harbors.	BoS & HM	Ongoing and successful.
10	Strategy	Continue to assign priority status to commercial fishermen for mooring spaces.	BoS & HM	Ongoing and successful.
11	Policy	Protect and support the marine resources industry.		
13	Strategy	Identify and assess appropriate sites for aquaculture.	HM, BoS & SCC	The topic of aquaculture along the coast of Maine is a hot topic and one that the town should spend additional time discussing.
19	Policy	Keep Government Wharf & Cape Porpoise Pier well maintained, and Preserve the Working Waterfront		
20	Strategy	Maintain the Cape Porpoise Pier and Government Wharf. Ensure that there is adequate parking for commercial fishermen.	BoS & HM	There is a need for additional parking spaces as well as a change in the parking signage at Gov-Wharf.
27	GOAL	PROTECT THE WATER QUALITY OF TIDALRIVERS, STREAMS, MARSHES, AND COASTAL BEACHES		
30	Policy	Reduce contamination levels to allow shellfish harvesting and to meet all applicable water quality standards.		

33	Strategy	Pump outs should be provided in Cape Porpoise Harbor and the Kennebunk River, and educate the public about the importance of the use of the pump outs.	BoS & HM	Kennebunkport Marina has a modern and accessible pumpout station.
		Town Goals, Policies, Strategies – Public Facilities & Services		
4	GOAL	ENSURE ADEQUATE MUNICIPAL OFFICE SPACE AND TECHNOLOGY FOR TOWN GOVERNMENT AND RELATED SERVICES.		
5	Policy	Provide adequate facilities for local government.		
8	Strategy	Consider facility needs assessment to be kept up to date with current staffing and future needs.	TM, BoS, Dept. Heads	
29	GOAL	STRIVE FOR MUNICIPAL OPERATIONS THAT ARE SUSTAINABLE & RESILIENT.		
30	Policy	Lead by demonstrating sustainable values and practices.		
32	Strategy	Create an environmental impact policy when planning special events to establish minimum standards.	BoS, TM, Dept. Heads	
33	Strategy	Integrate sustainability criteria into capital planning.	TM, BoS, Dept. Heads, BB	
34	Policy	Operate a safe, clean, and efficient fleet of vehicles.		
36	Strategy	Develop anti-idling policies for public fleet vehicles, contractors, suppliers and vendors, when appropriate to reduce carbon emissions.	BoS, Dept. Heads, TM, BoS
